There were 294 lockages, 796 people and \$1,217 in donations. They have a meeting with the DNR on June 3<sup>rd</sup> to discuss maintenance, etc. They thanked the Township for their help! Hendricks thanked the Berlin Boat Club, especially Dave Peck for the new bouys, the paint, stickers that he donated for the Fox River in Eureka.

**Town Zoning Report:** Tom Jackson reported on the Zoning meeting on May 25th. (Minutes are posted on the website.)

Tom Jackson stated there are a number of shipping containers being used for storage. Because our ordinances have changed, he thought it would be a good idea to send a letter to everyone that has one. The new ordinance requires a Conditional Use permit and should be updated so they look presentable. Egan said he didn't know how we were going to enforce this since many of them been there for years. Kafer said if they are in the village, they should be painted or kept pleasing to the eye. Hendricks read off the list that Jackson gave her. Kafer said he would be willing to forgo the cost of the Conditional Use permit if they came in to get one. Jackson would like a letter sent explaining that the containers are non-conforming and would appreciate it if they came in and received a Conditional use permit as our new ordinances state. ***Motion by Kafer to send a letter to the list of people who have containers at this time informing them that with the new ordinance, the container is non conforming and send them a copy of the ordinance. If they do come in for a permit, the fee would be waived for the ones who had containers before the ordinance. Motion 2<sup>nd</sup> by Schoonover. Motion carried.***
