

January 18, 2016

Special Meeting of the Town of Rushford Board at the Rushford Town hall at 1:00 pm

The meeting was called to order with Tom Egan, Jerry Schoonover, Pat Kafer & Peggy Hendricks present. Also present for the meeting was Pat Schoonover and Jim Smith from Martinson & Eisele.

The Board discussed with Jim Smith about vacating certain roads and alleys in the Village of Waukau and also about the possibility of an Assessors Plat for the Village. The roads and alleys have to be vacated before consideration of an assessors plat. There was further discussion on what areas might need to be done & problem areas in Waukau.

Motion by Kafer, 2nd by Schoonover to add discussion and action on road/alley closure in Waukau to the February Board agenda. Discussion: Pat Kafer is in favor for the Town to do what they must to close suggested roads & alleys in Waukau that Martinson & Eisele suggested. Because the agenda just mentioned discussion would be taken place, no action was taken. The clerk should send out letters to everyone affected to invite them to the February Board meeting and the attorney should be contacted for guidance on the closures. ***Motion carried.***

Motion by Kafer, 2nd by Schoonover to adjourn at 2:55 pm. Motion carried.
