

ALL-TERRAIN VEHICLE ROUTE ORDINANCE

1-1 AUTHORITY:

This ordinance is established to create all-terrain vehicle routes pursuant to the authority granted to towns by section 23.33 (8)(b) and section 23.33(11) of the Wisconsin Statutes.

1-2 PURPOSE:

The purpose of this ordinance is to establish an all-terrain vehicle route and provide safe and enjoyable all-terrain vehicle recreation consistent with public rights and interests. The town board finds that the ATV route will provide recreational opportunities to members of the public and will provide economic opportunities for town businesses. The town board further finds that public safety on town roads is unlikely to be negatively impacted and the use of ATVs on town roads is unlikely to create wear and tear which would require maintenance earlier than would be necessary if ATVs were not allowed.
